

Publication of Executive Pay 2021

In line with section 2.32 of the Academy Trust Handbook 2021 the trust publishes below the number of employees whose benefits exceeded £100k, in £10k bandings, for the years ended 31 August 2021 and 2020.

Benefits for this purpose include salary, employers' pension contributions, other taxable benefits and termination payments. There were no other taxable benefits or termination payments made during the year or in the previous year within the Trust.

Our Lady of Grace Academy Trust has **not** entered into any off-payroll arrangement with someone who is not an employee, where payment exceeds £100k as if they were an employee. Therefore no disclosures are recorded in the publication of executive pay.
